

# A BIG IMPROVEMENT IN COMPACT ICE MACHINES

---

For those with limited workspaces, Ice-O-Matic is proud to introduce the newest addition to our family of compact ice machines - The CIU line.

Our CIU machines reflect great improvement in smaller footprint, under-counter cube ice makers. These machines are big on production at up to 68 pounds of ice per day, but small enough to fit perfectly beneath counters in small bars, spas, office buildings - even in homes. And they look great too!

With its horizontal evaporator, the CIU line of ice machines provides the crystal-clear, well-formed ice you've learned to expect from Ice-O-Matic. And, thanks to a durable evaporator plate made from electroless nickel, the CIU line ensures reliability over time.

No matter the size of your business, count on Ice-O-Matic to keep drinks cold and customers satisfied.

- Space-saving design
- Easy open, self-storing bin door
- Large bin opening for easy access to ice
- Simple control panel for easy adjustments
- Low profile 31.75 in. (806.5 cm) installation with available ADA compliant kit
- Front air intake & discharge for undercounter installation
- Easy electrical connections
- Ice scoop included
- Comply with AHRI 810-07

## Accessories

Model Number	Description
KADA-15	ADA floor mount kit for 15" CIU self-contained ice machine

## ICE.

### That's all we do

Manufacturing ice machines in Denver, Colorado, since 1952, Ice-O-Matic has worked tirelessly to simplify, enhance and perfect the way ice is made. Since ice machines are the only thing we do, you'll find we offer the best in the business. Our machines are simple to operate, offer a lower cost of ownership than our competitors, and incorporate simple but thoughtful features—and that's by design. Additionally, Ice-O-Matic boasts many industry-leading features that make a real difference to you every day.

## PURE.

### Water filtration

We offer the highest-quality water-filtration program to enhance the purity of the ice, eliminating unwanted taste and odor, which are common problems with unfiltered ice machines.

## SIMPLE.

### Practical design

Ice-O-Matic ice makers are designed for simplicity with features such as our easy-access cabinet, easy-to-clean ice-making system and simple electromechanical controls.

### Long-lasting performance

Our ice machines are designed for unparalleled ease of operation, maintenance and service, with quick and easy diagnosis. And the same goes for our accessories.

### Quality and reliability

Ice-O-Matic ice machines are highly dependable and constructed with a stainless steel chassis, durable stainless finish and other precision parts. Our machines boast proven reliability and are backed by the longest warranties in the industry.

### Easy to do business with

We know time is money, and getting it right the first time is essential. That's why we strive to always recommend and install the right machine for the job.
